Wow! My daughter worked with Teresa prior to her SAT. She smoked that test. So far, my daughter was accepted to the College of her choice, got a \$56,000 scholarship and that is just the beginning. I am a finance/marketing professional and focus on Return on Investment. This may be one of the best investments I have ever made. Student Tutoryou guys rock!

Program Snapshot

Our SAT/ACT prep curriculum has been designed by dissecting dozens of SAT/ACT books over the past 11 years along with thousands of hours of test prep tutoring by our co-founders Laura Petersen, MAED and Todd VanDuzer, \$85,000 scholarship recipient.

Google "SAT prep math strategies" or "SAT prep reading strategies" to find us ranking # 1!

How we skyrocket SAT/ACT scores:

- ▶ We establish S.M.A.R.T (specific, measurable, achievable, realistic, timely) SAT/ACT goals to drive progress in the right direction!
- ▶ Promote accountability with live engagement reports and online discussion platform.
- ▶ Provide consistent results by hiring and rigorously training top 95% scoring tutors to teach via our proven SAT/ACT prep curriculum.

This is a Team Effort!
