

The Ultimate Test Prep Checklist

Follow these 4-steps to

- Feel less stressed.
- Get more scholarships.
- Get entrance to better colleges.
- Earn higher paying jobs.

Step # 1

What is your *why*?

Why are you taking the SAT, ACT, or PSAT? Dig deep.

Is it so you can get into college to develop skills to start a non-profit that helps impoverished children in Africa? To become a doctor and save hundreds of lives?

Or maybe you are not 100% sure what you want to do yet but know going to college and educating yourself on topics of curiosity that will help pave the way to a fulfilling and rewarding life!

Dig deep to your “why” because let’s be honest studying for the SAT/ACT is not fun!

Why is this step important? Having a clear idea of your “why” will motivate you to keep pushing through when times get tough.

Find out what you need and what’s holding you back.

Step # 2

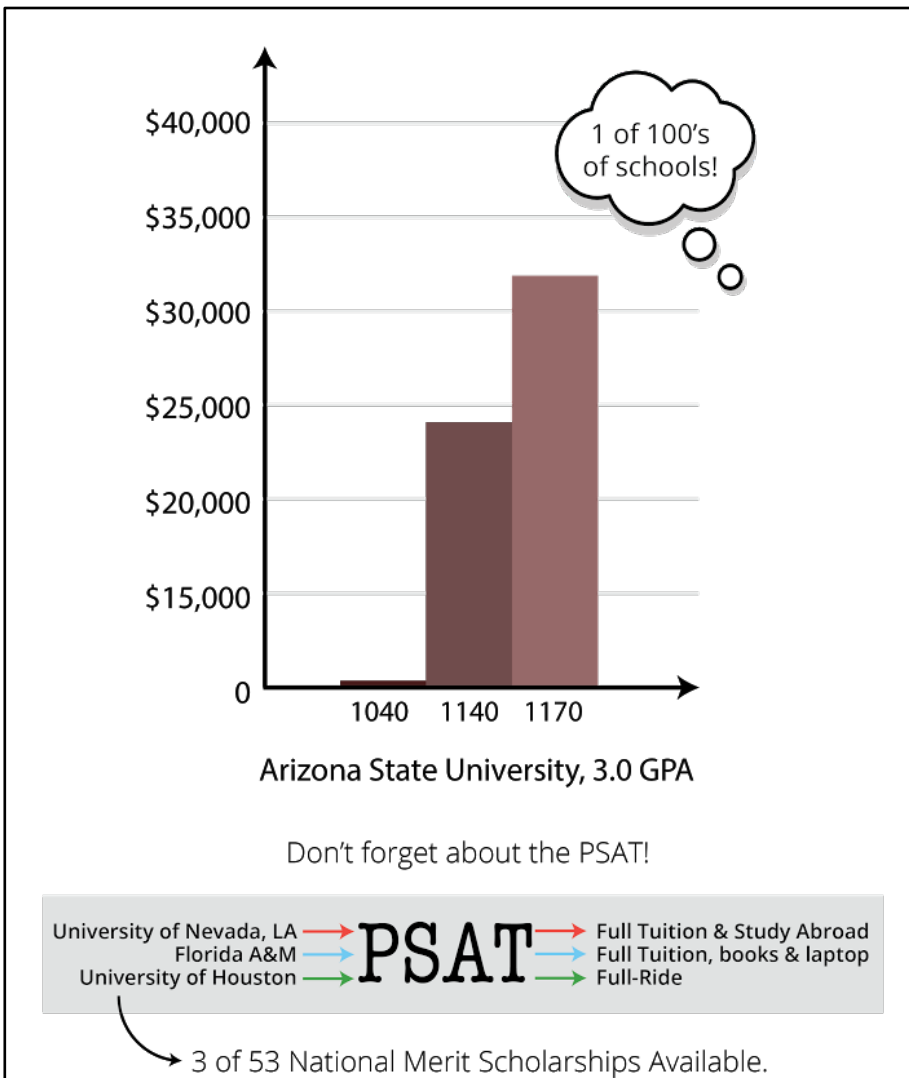

How can it help you?

How can the SAT, ACT, or PSAT help you?

Did you know that the average student graduates with \$30,100 in debt! **AVERAGE!**

- ✓ By becoming a PSAT national merit scholar you will qualify for full or partial tuition scholarships to over a hundred schools across the country!
- ✓ By scoring an extra 50 points on SAT or 1 point on ACT you could get an additional \$24,000 in scholarships!
- ✓ By having a strong SAT or ACT score you will qualify for thousands in private based scholarships.

Most importantly, it will help you get into your dream college so you can accomplish your “*why*” from step # 1!

Ensure you don't graduate with \$30,100 or more in debt...

Step # 3

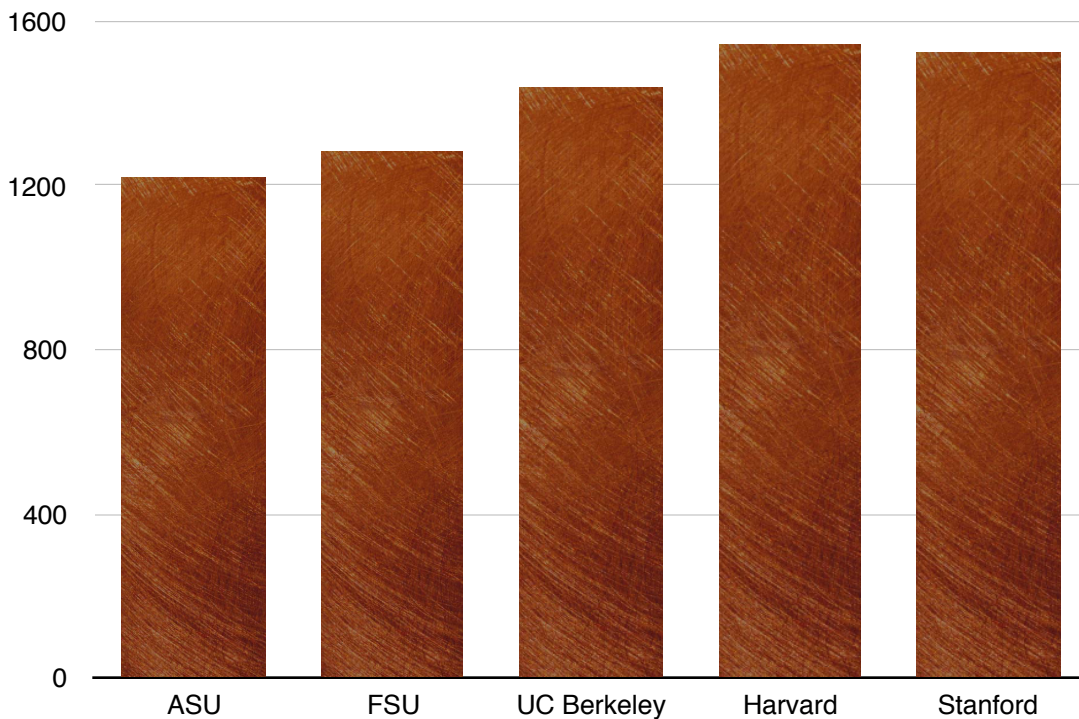

What score do you need?

What SAT, ACT, or PSAT score do you need?

Now that you know “why” you are taking the test and “how” it will help you, it is time to determine the exact SAT, ACT, or PSAT score you need to get into your dream college with thousands in scholarships!

When researching what SAT/ACT score you need make sure to also see what merit based scholarships they offer for a higher than average score!

A goal without a plan is just a wish!

You now know your why the test are important, how they can help you graduate debt free, and what score you need, but what is your plan? What do you need to study?

The SAT & ACT cover dozens of different topics.

Do you need to focus on trigonometry, sentence structure, geometry, vocabulary, logarithms, idioms, writing logic, strategy, etc.
